

DAR - E - ISLAM

FRANCHISE REQUIREMENTS:

INTRODUCING

We provide a variety of excellent extracurricular activities and a high caliber of instruction. We associate this organization to the earliest Islamic educational institution, "Dar-e-Islam school system established," because we are modest and obedient to the will of Almighty ALLAH.

The Dar-e-Islam School System of Education is built with the bricks, stones, and cement of Faith, Sincerity, and Sublime Aims and is embellished with active modern scientific ideas about education to equip the innocent saplings of the future tree with the latest branches of learning so that they can interact with the teachings of the Holy Quran and Spirituality.

DIRECTOR

I want to express my heartfelt appreciation for your remarkable contributions. Your dedication and hard work have been instrumental in our School's success. Together, we will shape the future of education, inspire minds, and make a positive impact on society. I warmly welcome you to visit by contacting us, and discover firsthand what makes DAR-E-ISLAM School. We believe in staying ahead of the curve by embracing the latest teaching methodologies. Our teachers are equipped with the necessary tools and resources to deliver engaging and effective lessons that cater to the diverse learning needs of our students.

MUNIR AHMAD

CHIEF EXECUTIVE OFFICER

In addition to academic knowledge, the focus on values and personality grooming has become increasingly important. Educational institutions play a vital role in nurturing ethical values, empathy, and critical thinking among students. They need to foster an inclusive and respectful environment that prepares students to navigate a diverse and interconnected world. Educational institutions must prioritize imparting knowledge and skills, fostering discipline and competitiveness, and nurturing values and personality development. By leveraging the latest teaching methodologies and technology, they can prepare students for success in the dynamic world they will navigate.
